SYNOPSIS

Zamaria Zephyr has lived her life surrounded by magic, but never meant to touch it.

When an unexpected encounter awakens questions that can no longer be ignored, Zamaria finds herself drawn beyond the familiar shelves of home and into a world of old secrets, competing beliefs, and a magical history far more complicated than she imagined.

The Awakening begins The Arcane Odyssey, an epic fantasy journey of magic, identity, discovery, and the choices that can reshape worlds.

ABOUT THE EDITION

Each copy of the Signed First Edition is personally signed by Katey Rae and individually numbered 1 to 50. An optional personal inscription is available at checkout. Copies ship once the books arrive from the printer and have been signed and numbered.
